Place: Madrid

Participants from all partner organisations, according to the attendance list.

Activities took place at TAJAMAR SCHOOL C/ Pío Felipe, 12, Madrid, 28038

Respondents: 18 participants (Emails: mcalin.profesor@gmail.com, danniell_ro@yahoo.com, itopalova@abv.bg, elena.vaiani@gmail.com, selina.martin@cece.es, pradoiska@gmail.com, giovanni.cormaci@virgilio.it, david.velazquez@cesurformacion.com, emi.chelariu@gmail.com, priscillacocchi@yahoo.it, ventsidim@mail.bg, spass@it-world.bg, giovannalazzurri@libero.it, annaluise2@libero.it, teodora.borissova@bana-bg.org, elza.gheorghiu@gmail.com, andrea.anzanello@pixel-online.net)

All partner organisations have been participated into the training program and sent their feed-back of the quality and relevance of this meeting via Google Form:

<https://docs.google.com/forms/d/1KsvcPi7SDQScuDruffYasSImfL5WckZ5TEq2hBNbX-Q/edit>

The results of this evaluation show that the overall training has been organised on good premises and offered good quality activities and opportunities for learning & exchange of good practices within the E-CLASSES project.

Quality of the trans-national element:

- Each partner contributed to the debates, learning activities and the overall success of the meeting. (94,4%)
 - Partners shared roles and responsibilities during the event or as part of the learning program (100%)
 - There has been a mutual understanding amongst partners about the training and the short-term/long-term objectives of the event and the project (88,9%)
 - There were clear evidences in the event programme of link with the overarching transnational project and the relevant funding programme. (83,3%)
 - There was a proper extent of the opportunity for participants to share relevant information about their own contribution and roles within the learning process of the project. (66,7%)
- There was a clear evidence of planning and realistic timescales for learning activities and discussions. (94,4%)

Structure, content and delivery of the event:

- The activities included an appropriate content, clearly related to the aims/objectives of the meeting, based on active learning and practical approaches. (77,8%)
- The needs and expectations of participants have been taken into account and the participants had the opportunity to contribute their own expertise. (83,3%)

Materials, resources, equipment:

- There was a sufficient range and suitability of resources (including ICT, internet) available and the materials issued during the training event were relevant and clear. (94,4%)

Quality of the domestic arrangements:

- The working venue was suitable, special requirements of participants have been taken account of (if any). (100%)

Positive aspects of the training:

- entertaining, achieving common ground, good timing
- interactivity, cooperation, collaboration, exchange of good practices
- New good social contacts in the field of modern training methods
- quality of participants, involvement of participants, experiences shared
- cooperation, good team working, learning during the all week.
- 1. I have improved my understanding of the purpose of the flipped classroom. 2. Introducing the personal experience of other participants was very useful. 3. I was inspired by new ideas for organizing my exercises.
- face off with teachers from other countries - object of the project - the meeting's programs
- Cooperation of the assistants, formative nature and interactive activities.
- we made a team. we were confident in our work. we gain experience in flipped classes
- instruction, socializing, new insights about educational methods
- new methodology, communication between students and teachers, online studying
- Location, team spirit, discussions
- Possibility to visit schools of the country; possibility of exchanging information and experiences; interesting ideas for improvement
- Clear, motivating, informal.
- Good organization of the event; good cooperation of the partners; good preparation with extra materials before the event
- working atmosphere, exchange of ideas and opinions, clear tasks
- Participants were well engaged in the activities. The venue was well chosen. The activities proposed by the partners were well organised.

Aspects of the meeting that need improvement in the future.

- Practical activities, exchange of experience
- being more critical with ourselves, analysing flaws and opportunities
- More practical exercise; Representing more E-learning platforms.
- Maybe some activities could have been compressed in a shorter time (e.g. thursday)
- Introducing more IT tools; Sharing good practices;
- increase the co-work
- Compliance of agenda, extension of some power point presentations and lacking of practical examples.
- how to make and edit short movies
- clearness of initial information,
- online collaboration, online meetings, stability
- Best practices, technical session, join dinner
- More time for visiting schools and expansion of the part of information exchange between countries
- can't think of any
- The training was well organised with equal contribution from all partners. The visits to the schools was an excellent idea.
- Maybe a social dinner should have been organised.

Overall feed-back:

- well in general
- Excellent organized event and useful information exchange in vocational training.
- I was completely satisfied.
- the great consortium atmosphere contribute to the developement of the project goals
- Thanks to the organizers for the greatly spent time.
- nothing to add
- In general, It has been a good chance for learning a new methodology and meet people involved in this project.
- no other comments.
- the training event was absolutely a positive experience to me, it gave me new ideas, and allowed to know something about different educational systems and different way to teach. The most important part to me was sharing experiences with colleagues from abroad.
- well organised
- None
- Wonderful experience with professional enrichment
- Excellent coordination
- Everything was excellent.
- Thank you very much!
