The results of this evaluation show that the overall meeting has been organised on good premises and offered good quality information as an essential check-point after 9 months of project.

Quality of the trans-national element:

- Each partner contributed to the debates and the overall success of the event
- Partners shared roles and responsibilities during the event or as part of the overall project
- There has been a mutual understanding amongst partners about project and event rationale and the short-term/long-term objectives of the event and the project
- There were clear evidences in the event programme of link with the overarching transnational project and the relevant funding programme.
- There was a proper extent of the opportunity for participants to share relevant information about their own countries was relevant.

- There was a proper extent to which a reasonable representation of participants from various countries has been achieved.

Structure, content and delivery of the event:

- There was a clear evidence of planning and realistic timescales for discussions.
- The activities included an appropriate content, clearly related to the aims/objectives of the event.
- The needs and expectations of participants have been taken into account and the participants had the opportunity to contribute their own expertise.

Materials, resources, equipment:

- There was a sufficient range and suitability of resources (including ICT, internet) available and the materials issued during the event were relevant and clear.

Quality of the domestic arrangements:

- The working venue was suitable, special requirements of participants have been taken account of (if any).

Positive aspects of the meeting:

- Partnership worked actively, the applicant leads the meeting really well and the host organization was just terrific!
- Good collaboration, clear ideas, venue place
- Good working schedule, cooperating team and excellent venue
- Facility, Lunch and Dinner, City tour
- connectivity, efficiency, sincerity
- Organization, hospitality, openness and willingness to listen.
- The presentation of the agenda and all the issues that were on it.; The communication between the partners and the organisation of the project meeting.
- good communication between all partners
- Location, overall organization, schedule of meeting

Aspects of the meeting that need improvement in the future.

- I don't think there are aspect that need to improve as long as the partnership continues working as it did until now.
- I can't think of any
- None at the current stage
- Preparation for the topics from the participants.
- There aren't aspects that need improvements
- no need for any improvement
- nothing in particular
